

Deep Reinforcement Learning Nanodegree Learning Plan

We hope you enjoyed your first week! This second week will be more time intensive, but much of the material is optional if you came into the program with a good understanding of Monte Carlo methods.

Week 2

Time	Activity	Notes
8 hr	Complete Lesson 6: " Monte Carlo Methods "	
BONUS	Read Chapter 5 of the textbook	If you are short on time, concentrate on 5.1-5.6
